

TTA Summer Training

The goal of this year's summer training camps is to develop the skills of all the players involved and help them perform at their best in summer tournaments.

The summer is a vital time for a competitive player's development. If this time is used efficiently any player can see a huge jump in their play. Thus it's important for any high performance player to have an organized summer training schedule to enhance their development.

From the Toronto Tennis Academy's perspective, we hope to enhance this process by providing summer training sessions as well as coaching at some of our players' major tournaments.

Summer Training Sessions

Our summer training will focus on developing the player's tactical and technical skills necessary to compete at their highest levels, as well as developing the most frequent physical skills required to excel. We will do this while respecting the player's competition schedule and targeting their training so that they can perform their best at certain events.

The summer camps will run from Monday to Friday 8:30-12. Due to the fact that most players preferred the mornings we will have all our training occur then. This will also free up the coaches to train players privately in the afternoon to ensure the proper mix of group and private training. Please note that this year more than ever, sign up in advance will be critical, as we may have more demand for these sessions.

Summer Competitions

Provincials Championships
Nationals Selection Events
Regular OTA Events
Michigan State University ITA Event
Roman Cup (Ottawa)
Canadian National Championships

Registration

We will be capping registration at 24 players per session. If you remember from last year the camps filled up fast. Registration will be done on a first come first serve basis...meaning priority will be based on when you register. Your spot will only be reserved with a completed form and payment. Early registration also helps us plan better. In the past we have hired hitting partners to push the level of the players. Knowing who is coming helps us know when to have these hitting partners attend. Registration should be sent to Gill at gill@torontotennisacademy.com and eddiejbrisbois@gmail.com. You may also mail registration form and payment to TTA c/o Eddie Brisbois, 11 Stanton Avenue, Toronto M4L 1W3
