

Toronto Tennis Academy

Who We Are

The Toronto Tennis Academy has been growing the game of tennis in central Toronto for over 20 years. Our camps, along with our schools program, bring the game of tennis to hundreds of children each year. We have won several Junior Development Awards from the Ontario Tennis Association. Our coaches are all certified with Tennis Canada and have First Aid training.

Learning with Us

Our camp's main focus is tennis. To increase your child's enjoyment and success at tennis, a variety of games will be played with an emphasis on fitness, skill development and fun! We are proponents of "Progressive Tennis" which is simply the use of scaled equipment (balls, court size, net height, and racquet length and weight) in order to both speed your child's rate of improvement and radically increase his or her enjoyment while learning and playing our game. Our camp boasts a lower student to pro ratio than other tennis camps.

If you have any questions or concerns please feel free to call us at the Toronto Tennis Academy (416) 932-8671, or visit our website:
